

Your route

There will be routes of 3, 5, 8 & 15 miles. All routes use footpaths and may be muddy, so wear walking shoes or boots. There will be some walking on quiet lanes and roads. All routes start and end at Walk HQ in the Scout Hut, accessed from the Heartwood Forest Car Park in Sandridge (car park entrance is at the north end of Sandridge village, nearest postcode AL4 9DQ). NB No walkers cars please to the Scout Hut itself for safety reasons – the lane is too narrow for cars and walkers.

All routes are waymarked and you will be sent in advance route instructions to print out or store on your phone. (We are saving paper this year through this change). Following the arrows and the instructions, walk at your own pace. On all routes there will be marshals and checkpoints at certain key places.

The shorter routes are ideal for those with young children; they also suit those just wanting a shorter walk. The 3 mile route stays within Heartwood Forest and the 5 mile route adds in Nomansland Common. The popular 8 mile route will go on from Nomansland to Wheathampstead. All four routes are the same as last year.

- Final choices on route can be made on the day, subject to time guidelines (see below):
- You can complete the 8-mile route in about three and a half hours including a short stop for lunch.
- To join a group doing the 15-mile walk, please be at the Scout Hut to register by 0945 in order to start the walk at 10:00am:
- To join a group doing the 5-mile walk, please be at the Scout Hut to register by 1000 in order to start the walk at 10:15am.
- An 8 mile group walk may be arranged on the day also for 1015 departure.

Start times. These times aim to get everyone back in time for their tea and cake before 5pm!

15 mile walkers start between 8:30 and 10:30 am.

8 mile walkers: start anytime between 9:00 and 1:00 pm.

5 mile walkers: start between 9:00 and 2:00 pm;

3 mile walkers: start between 9.30am & 3 pm.

Registration

It is important that you register (log in) at the start of the walk and “sign off” at the end. If for any reason you do not complete your walk and return to Walk HQ, please tell a marshal before you leave or contact Walk HQ (phone no will be provided) so we know what has happened to you. This is important.

Walking

Please keep to marked routes, going along tracks and footpaths, over stiles and across cultivated fields. Your route instructions and the “Walk for Water/Herts Hike” arrow signs will help you find the way.

Take particular care when you are crossing or walking on the road.

Follow the countryside code: Leave any gates as you find them; Keep dogs under close control at all times and on a lead when near livestock; Use the stiles and gates provided; and do not damage hedges and crops etc. Please give in litter at Marshal points or take it home with you.

Refreshments

You can buy a selection of Fairtrade snacks from our stall at Walk HQ (Sandridge Scout Hut), and tea, coffee, squash and home-made cakes are provided when you return.

The Fairtrade stall will also be selling items for you to take home and enjoy – tea, coffee and other goods such as olive oil and dates – so bring some money to support this effort please.

The following pubs can provide a welcome break or lunch stop – we recommend you pre-book a table if requiring food as Saturday lunchtimes are often busy. In Sandridge - the Queen’s Head, The Green Man and The Rose and Crown; in Wheathampstead the Swan and the Bull pubs, together with Charlies Café; at Nomansland, the Wicked Lady; in Ayot St Lawrence, The Brocket Arms.

What to bring

Waterproofs, warm clothes, strong footwear, sun hat, sun cream, drink and food. Aim to bring drinking water but ask if you forget and we can supply some.

If you bring your dog, please bring a lead. Keep dogs on leads inside walk HQ.
