

# OXFAM WALK FOR WATER 25 SEPTEMBER 2021

## 20-mile route description

Heartwood Forest, Nomansland Common, Historic Wheathampstead, Ayot St Lawrence, Kimpton, and back via part of the Hertfordshire Way and Devil's Dyke

**Adapted route description for use during the coronavirus pandemic**

**Route checked and route description revised 10 September 2021**

**Please check on <http://www.oxfamstalbens.org> for the latest version**

- This route contains areas that may be challenging for social distancing, especially at busy times. Therefore, **narrow sections are marked in red.**
- The walk starts at the Scout Hut in Heartwood Forest, Sandridgebury Lane, Sandridge, St Albans, **AL3 6JB**, but use the adjacent Heartwood Forest carpark, the nearest postcode is **AL4 9DQ**. The carpark opens at 8.00 and closes at 20.00. Follow the yellow signs to the Scout Hut. There is also nearby parking in Sandridge, off the main road. Please share a car or use public transport if you can, as weekends can be busy.
- **The Scout Hut will close at 17.00.** Allow plenty of time for parking, registration, the walk itself, some stops, and tea&cake on your return.
- The **± 20-mile** route takes about 8 hours at a steady pace and without breaks, so we advise you to you **start your walk between 8.00 and 8.30.**
- We ask you to **follow current Government Covid Guidelines** on wearing masks, social distancing, and sanitising, in the Scout Hut as well as during your walk. **If you prefer not to come in, call one of the numbers below, and we will come outside to register you.**
- **In case of emergency, or if you will not return to the Scout Hut to check out,** it is important to call Sue Cockell on **07535 695744**, or Wilma Mendonca on **07305 807288**.
- **Bring your own** copy(s) of this route description, water, packed lunch, snacks, sunscreen, hat, anorak, a small first-aid kit, secateurs (if you wear shorts), and a fully charged mobile phone. Also bring some cash for tea&cake and for purchases at the St Albans Oxfam shop stall, and your bank details to make your Walk for Water donation on JustGiving. We have no card-reader.
- There are six **Check Points**, **C1, C2, C3, C4, C2** again, and **C5**.
- There will be **no yellow Herts Hike route signs** after **C1**, but the arrows in this route description **← ↖ ↑ ↗ →** indicate your direction.
- **Benches, café's and pubs** are highlighted in **italic**, and **orientation points** in **bold**.
- For those of you finding it useful, OS Grid References are shown as: {2 Grid letters 3 figures (easting) 3 figures (northing)} e.g. {TL 189 149}.

**Enjoy your walk!**

## Section 1: Scout Hut to Check Point C1

- 1 At the **Scout Hut entrance gate** turn left ← onto the **Scout Hut drive**, then left ← onto a bridleway, and almost immediately right ↗ through a kissing gate into **Heartwood Forest**.
- 2 Go ahead gently uphill on the diagonal gravel path ↑.
- 3 Where the gravel path divides left and right at a **signpost**, go straight ahead on the grassy path ↑ towards a second **signpost on the skyline**.
- 4 Here turn left ← onto a track, soon passing on your left a **bench dedicated to Matt Risby**.
- 5 Continue straight ahead ↑ entering the **Magical Wood**, passing the **Mouse carving** and then the **Woodland Arch** on your left as you go.
- 6 At the corner of **Puddler's Wood** in front of you, cross straight over another track ↑, continue ahead with the wood on your left and a young wood on your right, until a gate marked with a small plaque saying '**Brian's gate**' on your right.
- 7 Turn right through this gate →, and follow the broad grassy path, passing between a **memorial stone for Brian & Brenda** and a **bench**, to another gate, which is 'Brenda's gate'. Go through, turn left ← on the track for a few yards, to the edge of a wood.
- 8 Turn right →, continuing on the grass ↑, between a wood on the left and a young wood on the right.
- 9 Go downhill, where you can see **Check Point C1** {TL 162 122} in a shady spot. **Please show your walker number to the Marshal.**

## Section 2: Heartwood Forest C1 to Wheathampstead underpass C3

### 10 CAUTION – ROUTES DIVIDE HERE!

- 11 The 2.5 & 4-milers turn left, whilst the 5, 8, 15 & 20-mile walkers turn right →. **Don't just follow the people in front!** Continue along the boundary of Heartwood, passing a **bench** set back on your right, until you reach a **Woodland Trust kissing gate** {TL163 123}.
- 12 Go through the gate ↑, down the path for a few metres and then branch right ↗ walking towards the open space of **Nomansland Common**, from where you can see **Check Point C2** in a shady spot. **Please show your walker number to the Marshall.**
- 13 Walk along the Common for ± 0.5 mile ↑, remaining parallel with the road on your left, passing a **bench** at the top of the hill, and the **public car park** on your left (do NOT cross the road here). Aim for the red bin {TL175 124} near the far-left corner of the Common, (The **Highstreet B651** lies ahead of you).
- 14 Once there, turn left ← to cross **Ferrers Lane WITH GREAT CARE** at the road sign '**Give Way–50 yds**'.
- 15 **CAUTION – ROUTES DIVIDE HERE!** At a small enclosure the 5-milers turn right, whilst the 8,15 & 20-mile walkers go straight on ↑, Aim for the house seen beyond the cricket pitch.

- 16** Follow the right side of the cricket pitch, passing 3 **benches**, and notice the small **historic puddingstone** in the **semi-circular bench** ↑.
- 17** Aiming at the **Wicked Lady pub**, leave the pitch, and see the **Historic Wheathampstead board**. Turn left ← on to the tarmac drive of the **cricket pavilion**.
- 18** Just before the **cricket pavilion** where the edge of the wood is set back slightly, turn right → onto a **very narrow woodland path**, which is easily missed. Almost immediately take a left-hand fork ↙.
- 19** Ignore a left turn, and at a **waymark** where paths cross (you may still see a large tree blocking the path ahead), turn right →, and after ± 10 yards turn left ←, keeping the wood on your left and making your way along the edge of a (corn) field on your right. At the corner of the field, the north side of Nomansland woodland [TL173 128], turn right →.
- 20** Go straight on ↑, with the hedge on your left and the field on your right, and follow a short section of **telegraph wires**.
- 21** At the next corner of the field go straight on, onto a gravel path, and almost immediately turn right →.
- 22** At the T-junction turn left ←.
- 23** Emerge onto an open space and continue diagonally uphill ↗, towards the right-hand corner of an **enclosure**.
- 24** Carry straight on ↑ with the fence on your left and a narrow wood on your right. Just after the next corner of the enclosure turn right →.
- 25** Go past an iron gate, and turn left ← onto an asphalt path.
- 26** Continue **WITH CARE** alongside the **High Street** for ± 50 yards, to **Butterfield Road**.
- 27** Turn left ← into Butterfield Road. After ± 200 yards cross Butterfield Road **WITH CARE** and turn right → into **Wick Avenue**.
- 28** After **house number 39A**, turn right → onto a **narrow asphalt path**.
- 29** At the end of the path turn left ← to continue gently downhill on a **narrow sloping path** above the **High Street**.
- 30** After a little way descend by steps to street level, turn left ←, and continue on the pavement down into the village and past **The Swan pub** to the corner with **Church Street**. Walk a few yards up Church Street, away from the busy junction, before crossing **WITH CARE**.
- 31** Returning to the High Street, pass the **lychgate to St Helens Church**. (Time permitting, you may like to stop and see the windows and monuments inside this lovely building).
- 32** Proceed to the foot of the hill and just before you get to **Loafing Bakery & Coffee Shop**, (or **Charlie's Coffee Shop** would be a bit further on, past the Pharmacy and the mill stream), cross the High Street at the **zebra crossing**.
- 33** Turn right → between **The Bull pub** and the **Jessamine garage** into **East Lane**. Walk past the **public car park** on your left (note there are **public toilets** available here) ↑ and as the

road bends to the left, pass the **Women's Institute Mead Hall** on your left and a **bench** on your right.

- 34** At the **East Lane** road sign keep left ↶ as **Meads Lane** carries on gently downhill past the **Rainbow House Nursery** and emerges in the **river meadows** ↑.
- 35** Immediately after passing between two **benches**, (and ahead you can see **picnic tables**) turn left ← to cross the **River Lee** over the **footbridge**.
- 36** Immediately turn right → and follow the path along the **riverbank**, past a **bench** on your left, until it climbs to join a bridleway (**Lea Valley walk**).
- 37** Turn right → and follow this, passing a **bench** immediately on your right. After passing through two gates the path turns right →.

Go through another gate on your left, taking the steps down to **Check Point C3**, from where you can see the **underpass** on your left. **Please show your walker number to the Marshall.**

### Section 3: Wheathampstead Underpass **C3** to Ayot St Lawrence

- 38 CAUTION – ROUTES DIVIDE HERE!** The 8-milers turn right, whilst the 15&22-milers turn left ←.
- 39** Go through the **underpass of the B653 Cory-Wright Way**, and continue on the gently rising track, ignoring the bridleway to the right. Go straight on ↑ past the metal gate on your right. Keep straight on ↑ where paths cross (and the **Ayot Greenway** goes right on the old railway line). Continue until you reach **Codicote road**.
- 40** Cross the road **WITH GREAT CARE**, and follow **Footpath 40 'Gustard Wood 1 1/4 mile'** ↑. Keep the boundary on your left, and the field on your right, heading for the metal kissing gate in the corner.
- 41** Go through the gate ↶. This was **Lamer Park Golf Course** but is no longer in operation. Continue on with trees on your left and barbed wire fences on both sides ↑. Walk for some distance ↑, always guided by the fences.
- 42** Where a track joins from the left, bear right ↗, immediately crossing a track between two wooden gates. Continue onto a broad path, again fenced on both sides, and **narrowing** at one point for ± 20 yards.
- 43** Carry on until you reach a metal kissing gate. Go through onto a track. Turn right → for ± 10 yards.
- 44** Then turn left ← through the kissing gate onto **Footpath 38** into a wood, with a barbed wire fence on your left.
- 45** On leaving the wood, continue ↑ in your original direction - but crossing a large field **diagonally**. Head for a right-hand curve in the tree&bush-lined boundary. Go through a wooden kissing gate ↑ to cross the lane, then through a metal kissing gate opposite ↑.
- 46** Continue through a wood on a wide track ↑. After the path bears left ↶, continue straight on ↑. The path meanders through a long, narrow wood.

- 47 Eventually the wood widens, with a fence on the right close to the path. After passing a hollow on the right and a garden fence on the left, you reach the end of the wood.
- 48 Go through a metal kissing gate onto a junction of paths {TL 177166} and turn immediately right → onto **Footpath 36**, which in due course narrows. Walk with a field on your left and a wood on your right. At the corner of the field, go through another kissing gate ↑. Continue with the wood on your right, now with an electric fence on your left and a view across the field on the left of **Bibbsworth Hall farm**.
- 49 At end of the field (ignoring the kissing gate and **Footpath 15** on the left), go through the kissing gate on the right →. Then immediately turn left again ← to continue in your original direction for ± 10 yards, now with a hedge on your left and a field on your right.
- 50 Ignore **Public Footpath 41** to the right, and go through the kissing gate straight on ↑. Go along a wood to the left and a barbed wire fence and a field on your right, at times with a narrow strip of wood in-between. Continue through a wooden gate ↑, onto **Footpath 36**.
- 51 At a crossroad of tracks go straight across ↑ into woodland, **Footpath 13** direction Ayot St Lawrence.
- 52 Follow the track ↑ by a barbed wire fence, to a waymark where the path forks, and **Checkpoint C4**. *Please show your Walker Reference number.* {TL 191166}. **At this point, 20-mile walkers are advised to check if there is enough time to complete their last loop and return to the Scout Hut to check out before 17.00. If not, inform the Marshall - or call 07535 695744 / 07305 807288 - that you will complete the rest of your walk independently, or that you are diverting onto the 15-mile route at St Lawrence Church.**
- 53 Turn left ← to go up 5 steps ↑, still on **Footpath 13**. Continue with a field on your left and a hedge on your right, going through a private garden until you reach **Bibbs Hall Lane**.
- 54 Go through the gate and turn right →. Follow the lane **WITH CARE**, and at the bend turn left along a gravel track ←, Signposted 'To the Church'.
- 55 Turn right → to go anti-clockwise around **St Lawrence Church**, and go inside, or rest on the *benches* or the *steps* to take in the view. Continue on the church path, and go through the metal church gate.

#### Section 4: Ayot St Lawrence to Kimpton

- 56 **CAUTION – ROUTES DIVIDE HERE!** The 15-milers turn right, whilst the 20-mile walkers go straight on ↑. With your back to the church notice board, go through the wooden kissing gate {TL 192169}.
- 57 Turn immediately left ↶, continuing with a wood on your left, and a field on the right, passing two decapitated firtrees.
- 58 Enter **Priors Wood** at the next kissing gate, continuing straight on ↑ downhill.
- 59 Crossing a track, continue straight on ↑, slightly uphill, to the edge of the wood.
- 60 Continue straight on ↑, with a field on the left and a hedge on the right, then crossing through to the other side of the hedge ↗, now keeping a field to your right.

- 61 Bear left ↖ along the track, following it to **Ballslough Hill** road {TL 181178}.
- 62 Cross the road **WITH GREAT CARE** ↑, to the steps up into the field opposite.
- 63 Turn right → onto the footpath, keeping the field on your left. The path curves to left, bends right, and just at the end of left bend (before it bends to the right again) take a **narrow, almost concealed path** on your right →.
- 64 Go through a wooden gate ↑, and down the steps onto the **Kimpton Recreation Ground**, where there are quite a few **benches**.
- 65 Carry on with the pitch on your right, through the entrance gate, and ahead onto **Kimpton Highstreet B651**.
- 66 Cross the road **WITH CARE**, and turn right → for about 25 yards. Then turn left ← into **Church Lane**.
- 67 Follow the lane, passing the **Church** on your right, and at the end of the lane enter short alleyway on the left ↖.
- 68 Soon turn right → onto a footpath, through a gate, and right → onto **Butt End Path**. Past another gate, onto **Hitchin Road B651** {TL 117 187}. Turn left ↖ and after ± 20 yards cross the road **WITH GREAT CARE**.
- 69 Turn immediately right ↗, up a road marked '**PRIVATE ROAD No through route for vehicles Public footpath access only**'.
- 70 Follow this road for ± 1 mile until you reach **Hoo Lodge cottages** on the left, and a **bench** on the right {TL 185 194}.

### Section 5: Hoo Lodge Cottages to Ayot St Lawrence

- 71 Immediately after the bench, turn right →. Go through a metal kissing gate, onto a field.
- 72 Go straight across the field ↑, passing a **cricket pavilion** set back on your left, to the next gate ↑, and continue on the path, with a barbed wire fence, and a wood on your right.
- 73 Go through the next kissing gate ↑, now with a hedge on the left and a field on the right.
- 74 The path continues gently downhill into the next field, under **telegraph wires**, past woodland on the left, with a **bench 'For Sally'**, to a kissing gate by a **large oak**.
- 75 Go through, and bear left ↖ across a field, to a kissing gate at the bottom left-hand corner of the field.
- 76 Pass through onto a lane, and turn right →, crossing a bridge, to the road. Turn right → on the verge, and after ± 10 yards take a track on the right →. Continue on this track, keeping a narrow wood with a stream on the right.
- 77 At a junction, with two cottages on your right, take the left fork ↖, and follow this track until it joins a lane. Bear right ↗, and continue to **Kimpton Mill** {TL 198 184} on the left.
- 78 **Cross the road B657 WITH GREAT CARE**, and turn right → to join the **public bridleway No.38** ↑, keeping a large field on the left and a hedge on your right. The path steadily rises

until it veers to the right ↗, under the trees, where you will pass two wood carvings. Continue on the track, between two hedges.

- 79** At the top, turn right → onto **Tanyard Lane**, and pass **Abbotshay Farm** on your right. Then take the public bridleway on the left ←, which leads onto a gravel drive ↑.
- 80** Go past **Ayot Manor** and the entrance to **Ayot House** on your right, and continue along the drive to the gate.
- 81** At **Ayot High Street** turn right, passing the **Brockett Arms** on the left, and the ruins of the old church on the right.

### Section 6: Ayot St Lawrence to Wheathampstead underpass

- 82** Here, the **20-mile walkers re-join the 15-milers**. Follow the lane **WITH GREAT CARE** as it curves left past an **old red telephone box**. Come to the **sign for “Shaw’s Corner”** and take **Bride Hall Lane** to the left ↙, passing the garden of **Bernard Shaw’s house on your right**. Again, **TAKE GREAT CARE** on this stretch of road. Go on through a double bend.
- 83** Cross the road **WITH GREAT CARE** and just past the **house called ‘Amesbury’**, at the corner of a field, take the public bridleway ↑ **Public Bridleway 1, Codicote Road 3/4, Ayot Greenway 2**.
- 84** Continue along the initially narrow bridleway for ± 1 mile ↑, first between hedges, then passing a small wood on your right ↑, and eventually a small strip of wood on your left and a field your right ↑, until you reach **Codicote Road**.
- 85** Cross the road **WITH GREAT CARE** ↙, turn left for a few yards, and then turn right, past a **concrete block**, to continue in your original direction ↑ through a gate onto another bridleway, which curves along a wood on the left and a field on the right. Ignore a track on your right, and one on the left leading into the wood.
- 86** Carry straight on ↑ when the path enters the wood and continue ↑ as it comes to a field.
- 87** The path then goes left through a hedge ← into another field, but continue in the same direction ↑, now with the hedge on your right.
- 88** At the **old railway embankment and bridge** do not pass under the bridge, but immediately before it turn right →, up a slope, to join **Ayot Greenway**.
- 89** Turn right → here and continue along the old railway track, passing under **another bridge**.
- 90** At a **black&white Ayot Greenway post** on your left, the path comes out of the cutting and a path merges from the left. Keep straight on ↑.
- 91** Keep going ↑ until you reach another **black& white Ayot Greenway post** on your right. At this point turn left ← downhill on a bridleway, with a field with **telegraph poles** on your left a hedge on your right.
- 92** Continue ↑ to the bottom of the field and turn right → at the T-junction of tracks. Keep along the track, the **Lea Valley Walk**, as it becomes a grassy path with a hedge to your left.
- 93** After a **waymark** the path narrows. At one point it divides for ± 10 metres, but both lead to the same metal kissing gate ↑. Go through, into a long meadow. Follow the path between

the fences, with the **Lea river** on your left and the **telegraph poles** and a **bench** on your right. Ignore a diagonal track on your right, carry straight on until you reach another kissing gate **↑**.

- 94** Go through the gate and continue with a fenced field on your right, then follow the path straight on as the hedge on the left bears away from the path. Head across the field to a **signpost** (or greyish looking pole) and a small gap in the wooden fence.
- 95** Go through the kissing gate and turn right **→**, between **two wooden fences**. Turn left **←**, go down some **steps** and you will be back at **the underpass of the B653 Cory-Wright Way**. Turn left **←** on to the track, go through the underpass.
- 96** You are now back at **Checkpoint C3**. *Please show your Walker Reference number.* Here, 15 & 22-mile walkers re-join the 8-mile walkers.

### **Section 7: Wheathampstead underpass C3 to Hammonds Farm**

- 97** Follow the gravel track, **Sheepcote Lane**, as it crosses the **River Lea** by a small bridge and then becomes a tarmac road.
- 98** Continue up the lane **↑** and cross over **Marford Road WITH GREAT CARE**.
- 99** Carry straight on **↑** into **Dyke Lane** and continue **WITH CARE** uphill to the **Wheathampstead Heritage Trail information board** with the entrance to the **Devil's Dyke** on your left.
- 100** Pass through the **metal gate ↑** to enter the **Pre-Roman earthworks**. Carry straight on into the **deepening ditch**, over a **wooden boardwalk** at one place.
- 101** Follow the Dyke until a flight of **wooden steps** on the right **→**. Go up, onto **Footpath 24**.
- 102** Soon the path forks. Take the left turn **←** up to **Dyke Lane**.
- 103 TAKE CARE** both looking and listening for traffic as you emerge onto **Dyke Lane**, where you turn left **←**. Follow the lane **WITH CARE**.
- 104** Pass **Beech Hyde Farm** on the left, and after  $\pm$  10 yards turn left **←** onto **Footpath 15**. Continue straight on, with the hedge on your left and the field on the right. At a **yellow waymark sign**, continue on with hedges on both sides.
- 105** Emerge onto **Beech Hyde Lane** opposite **Old Beech Hyde house**. Turn right **→** onto the lane. As you come to the end of a **fenced wooded garden** on your left and a **telegraph pole**, take the footpath on the left **←** **Public Footpath 14 Lemsford 2 miles**, which leads across a field towards a wood.
- 106** Enter the wood **↑** by a waymark sign, ignoring the path on the left, through an area of destroyed woodland, and where paths cross, follow the **narrow path** straight ahead **↑** to **Check Point Check Point C5** {TL 189 125}. *Please show your walker number to the Marshall.*
- 107** ( $\pm$  100 yards to the left you will find the **John Bunyan pub**, so named because the famous preacher and writer stayed at a cottage close by. Just the chimney stack of the cottage still remains).

- 108** Where the path forks, turn right ↗ towards **Coleman Green Lane**.
- 109** Cross the lane ↑ **WITH CARE**, to a field gate opposite. At the gate two footpaths diverge. Take the right fork ↗ to follow the path with the field on your left and a hedge on your right.
- 110** Continue straight on ↑ up-hill. At a gap in the hedge ahead, with **waymarks**, go right ↗ along the edge of the field with the hedge on your right.
- 111** Continue straight on to follow the footpath across the field to the edge of **Titnol's Wood**. Do not enter it but turn right →, with the wood on your left and a field with a barbed wire fence on your right.
- 112** At a hedge ahead and a waymark, ignore a left and a right turn, but cross a stile and continue straight on ↑ on a **narrow path**, still on the Hertfordshire Way, with the wood to your left and a field on your right.
- 113** Then follow the **fence of a house** on the left and **stables** on the right, to a kissing gate where you turn right → onto **Hammonds Lane**.
- 114** **TAKE GREAT CARE** on the lane, which is generally quiet but does have some traffic. Follow Hammonds Lane past a junction with **Tower Hill Lane** on the right. At **Meadow Lodge** on the left, cross the stile. You are now on the **Hertfordshire Way** footpath.
- 115** Continue straight on ↑, parallel to Hammonds Lane, with a field on the left and a hedge on the right.

## Section 8: Hammonds Farm to Scout Hut

- 116** Pass **Hammonds Farm** and **Hammonds House** on the right, two metal gates, and another one with a **large log** behind it. Here, the 5-milers re-join the 8,15 & 20-mile walkers.
- 117** Continue with the hedge on your right, towards a wood.
- 118** As the path enters the wood, continue straight on ↑. Soon the Hertfordshire Way emerges from the wood, bending sharply to the left ↙, and then continues straight on ↑, with the wood on the left, and a young wood with a fence on the right.
- 119** Passing a **small pond** on the left, you reach the corner of the wood, and the **houses of Sandridge** come into view. Carry straight on ↑ through a field to **Langley Grove**. Cross the road **WITH CARE** ↑ onto a **narrowing footpath**.
- 120** After a few minutes, at the end of a garden fence and a **waymark post** on the right, take a short and **narrow path**, which forks off to the left ↙, to cross a tarmac drive at a small zebra crossing (take care).
- 121** You emerge into the grassy churchyard of **St Leonard's Church**. Where the path forks, keep to the right ↗ aiming for the **lychgate arch** at the front of the church.
- 122** From the lychgate go straight on ↑, past the **Queen's Head pub**, toward the **bus shelter** at **St Albans Road B651**.
- 123** Cross the main road **WITH GREAT CARE** and walk a few yards to the right →, to the drive of **Pound Farm**.

**124** Take the drive through Pound Farm ←, leaving the **large barn** to the left.

**125** Continue gently uphill on the bridleway, past the **Heartwood Forest welcome sign** ↑ until the **Scout Hut** comes into sight again.

**126** Turn left ← onto the Scout Hut drive, and immediately right → through the gate.
