

Hertfordshire OXFAM WALK FOR WATER

**Saturday 10 September 2022
(starts Heartwood Forest, Sandridge)**

**OXFAM
Walk
For
Water**

With routes from 2.5 to 20 miles there's a walk for everyone. So, gather your friends, family and dogs to raise money for Oxfam water projects by walking in beautiful countryside.

Nur* is using the recently installed Contactless Handwashing Device in the Rohingya camp. Like her other Rohingya refugees have started using the machine to frequently wash their hands as a number of Covid19 cases have now been confirmed in the world's largest refugee camp. *name changed to protect identity
